*The access sites on this map include public lands and private lands where access permission has been granted. Stay in boats unless on public land or for portage on non-navigable obstacles. Please respect all landowners. \*Limited Public Access denotes private property. Stream banks and bottom are private land. Therefore, access is limited to river craft put-in areas only.*

**CAUTION:** Spring runoff creates hazardous conditions. Know the flow before you go, and wear a personal flotation device. **HAZARDS EXIST** at all flows: **barbed wire fences, drop structures, and riprap. Use caution.** Plan ahead at [sheridanclt.org/rivertrip](http://sheridanclt.org/rivertrip). denotes in-stream drop structures.
