

Leave a Tribute on the Trail!

Honor a loved one, friend, or special memory with a tribute plaque placed along SCLT trails.

Plaques are available at two locations:

- The first bridge on Updraft Trail at Red Grade Trails
- The wetland bridge on Soldier Ridge Trail

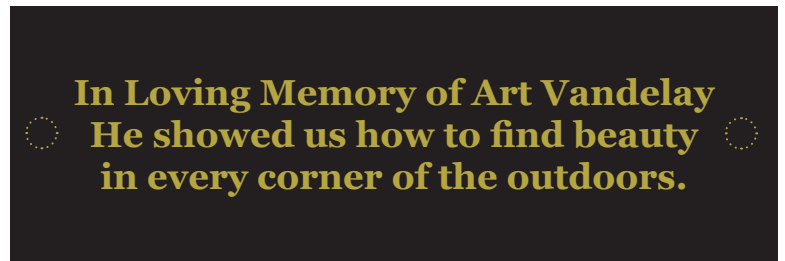

Each plaque is \$50 and includes:

- Standard 1" x 3" black plaque with brass text
- Up to 3 lines of text, 35 characters (including spaces) per line
- Local manufacturing + installation by SCLT

SCLT will review and approve all plaque language prior to production. Once installed, we'll notify you by email. While we make every effort to ensure plaques last for many years, we cannot guarantee against vandalism or loss due to natural elements.

Choose your preferred location—or honor someone special at both!

Use the form below, or scan the QR code to start your order anytime, anywhere. You can also start your Tribute at SheridanCLT.org/Trail-Memorial-Plaques/.

Proceeds from these plaques will support trail building and maintenance.
